If a woman wishes her babies to be healthy and strong and able to resist the usual atlinents of childhood, she must take proper care of herself in a womanly way during the period of gestation. A woman who suffers from weakness and disease of the organs distinctly feminine is unfitted for wifehood and motherhood. Dr. Pierce's Favorite Prescription is a wonderful medicine for ailing women. It acts directly on for wifelings and motherhood. Dr. Fierce's Favorite Prescription is a wonderful medicine for ailing women. It acts directly on the delicate and important organs concerned. It makes them well and strong. It atlays inflammation, heals ulceration, soothes pain, stops exhausting drains and gives rest and tone to the tortured nerves. Many of them have permitted their names, addresses, experiences and photographs to be reproduced in Dr. Pierce's Common Sense Medical Adviser. bosses many a body and burdens many a mind. You can't enjoy the food you like because you are bilious. You take all sorts of precautions, and yet the bilious attack leaps on you like a tiger from ambush. You know the feeling! The blood seeming on fire with a dull heat; the boring pains in the eyes; the head seeming to open and shut; the horrible nausea. You know the irritability which precedes and the languor that follows the attack. It's miserable, isn't it? Why not cure the trouble? There's a pill that will cure biliousness. Dr. J.C. AYER'S PILLS are an acknowledged specific for this

L. Swanger, Texarkana, Tex., writes: For fifteen years I have used Aver's Pilla, and find them very effective in bilious com-plaints. I have yet to see the case where they have failed to cure."
